

# SMART MULTI-FEED PELLETS

An economical pellet with great levels of energy and starch and protein of 14.5%. These components of this effective pellet are made possible by the inclusion of maize co-products. And there is that added benefit of increased efficiency of digestibility, meaning less wastage of feed by your animals.

*Suitable for Calves, Cattle, Poultry, Pigs, Sheep, Alpacas, Llama, Deer, Emu, Ostrich, Goats, Rabbits.*

*Feeding Recommendations:  
Smart Multi Pellets are a great supplementary feed designed for feeding and conditioning a wide range of animals.*
